

Baillie Gifford Worldwide Diversified Return US Dollar Fund

30 April 2021

Investment Proposition

The aim of the Fund is to deliver attractive long-term returns with lower volatility than equity markets by investing in a diversified portfolio of assets. The Fund is actively managed. When constructing the portfolio, we consider the prospects for returns and risks over a 12-month investment horizon and asset allocation does vary over time depending on where we see the best opportunities. The Fund can invest in a wide range of different asset classes including, but not limited to, equities, government and corporate bonds, emerging market debt, property, commodities, infrastructure and absolute return funds.

This document does not provide you with all the facts that you need to make an informed decision about investing in the Fund. Further details of the risks associated with investing in the Fund can be found in the Key Investor Information Document, copies of which are available at bailliegifford.com, or the Prospectus which is available by calling the appropriate contact below. Both the Key Investor Information Document and the Prospectus are available in the English language. Nothing in the document should be construed as advice and it is therefore not a recommendation to buy or sell shares.

The Fund's share price can be volatile due to movements in the prices of the underlying holdings and the basis on which the Fund is priced. The ongoing charges figure is based on actual expenses for the latest financial period. Where the share class has been launched during the financial period and / or expenses during the period are not representative, an estimate of expenses may have been used instead. It may vary from year to year. It excludes the costs of buying and selling assets for the Fund although custodian transaction costs are included. Where a share class has not been seeded an estimate of expenses has been used.

This document contains information on investments which does not constitute independent research. Accordingly, it is not subject to the protections afforded to independent research and Baillie Gifford and its staff may have dealt in the investments concerned.
