

APPLICATIONS FROM NON-UK APPLICANTS

INTRODUCTION

We welcome applications for our roles from all suitably qualified candidates. As part of the recruitment process we ask candidates to evidence their right to work in the UK. If candidates do not currently have the right to work, we assess the likelihood of a successful application for an appropriate visa.

EXISTING RIGHT TO WORK

You will already have the right to work in the United Kingdom if you are:

- A British or Irish citizen
- An EU/EEA citizen who was living in the UK on or prior to 31 December 2020 and can apply for the EU Settlement Scheme until 30 June 2021
- A non-UK citizen with Indefinite Leave to Remain, Right of Abode, Settled or Pre-Settled Status
- A non-UK citizen with an Ancestry visa, spouse visa or similar.

This list is not indicative of the only visa types we will accept but captures the main visa types which entitle the holder to live and work in the UK on an ongoing basis (i.e. permanently or indefinitely, or in a category that leads to indefinite leave to remain).

SKILLED WORKER SPONSORSHIP

For candidates who do not currently have the right to work in the UK, we may be able to offer sponsorship under the Skilled Worker regime. However, this is subject to eligibility.
