- (iv) any person who does not supply any of the information or declarations required hereunder within 7 days of a request to do so being sent by the Directors or the Manager;

Upon deposit of such redemption monies as aforesaid such person shall have no further interest in such shares or any of them or any claim in respect thereof except the right to claim without recourse to the Company the redemption monies so deposited (without interest) upon such consents being obtained and against the production of the said evidence of ownership with the redemption request duly signed.
- (h) The Directors may resolve that the provisions of the foregoing Article 11 shall be disappplied, in whole or in part, for a defined period or otherwise, in the case of U.S. Persons.

- (a) The Company may redeem its own outstanding fully paid shares at any time. A Member may at any time irrevocably request the Company to redeem all or any part of his shares in the Company and such request shall be in such form and shall be made in such manner and shall be received by such time on or before a Dealing Day as may be set out in the Prospectus or otherwise determined by the Company from time to time.
- (b) A request for redemption of shares shall be in such form as the Company shall prescribe, shall be irrevocable and, unless otherwise provided for in the Prospectus, shall be filed by a Member in written form at the registered office of the Company,

or at the office of the person or entity from time to time designated by the Company as its agent for the redemption of shares, and, at the request of the Company shall be accompanied by the share certificate or the confirmation of ownership (duly endorsed by the Member) or by proper evidence of succession or assignment satisfactory to the Company together with unmatured dividend coupons, if applicable.

- (c) On receipt of a request for redemption of shares duly completed the Company shall redeem the shares as requested on the Dealing Day on which the redemption request is effective subject to any suspension of this redemption obligation pursuant to Article 14 hereof. Shares in the capital of the Company which are redeemed by the Company shall be cancelled.
- (d) The redemption price per share shall be the applicable Net Asset Value for such share obtaining on the Dealing Day on which the redemption request is effective, subject to such adjustments in respect of Commission or other charge as may be set out in the Prospectus or as provided for herein. The charge relating to the redemption of shares shall not exceed 3 per cent. of the redemption monies. In calculating the redemption price per share the Directors or the Manager may on any Dealing Day when there are net redemptions adjust the redemption price by deducting an anti-dilution levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Sub-Fund.
- (e) Payment to a Member under this Article will ordinarily be made in the Base Currency, or in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be dispatched at the latest within fourteen days following acceptance of the redemption request as provided for in Article 12(a) above.
- (f) On redemption of part only of the shares held by any Member, at the request of the Member, the Directors or the Manager shall procure that a revised share certificate or confirmation of ownership shall be issued free of charge for the balance of such shares.
- (g) In the event that a redemption of part only of a Member's holding of shares leaves the Member holding less than the Minimum Holding the Directors or the Manager may, if they think fit, require that the Company or the Manager redeems the whole of that Member's holding.
- (h) If the Company receives requests for the redemption of shares in respect of ten per cent. or more of the Net Asset Value of any Sub-Fund on any Dealing Day, the Directors or the Manager may elect to restrict the total number of shares redeemed to ten per cent. of the Net Asset Value of such Sub-Fund, as appropriate, in which case all the relevant requests will be scaled down *pro rata* to the number of shares requested to be redeemed. The Company or the Manager shall treat the deferred redemption requests as if they were received for each subsequent Dealing Day (in relation to which the Company or the Manager has the same power of deferral at the then prevailing limit) until all the shares to which the original request related have been redeemed. In such cases, the Company or the Manager may reduce requests *pro rata* on the next and following Dealing Days so as to give effect to the above limitation. The Company or the Manager shall notify any applicant if his application is deferred.
- (i) At the discretion of the Directors or the Manager and with the approval of the relevant Member, the Company may satisfy any application for redemption of

shares by the transfer to the Member of assets of the Company *in specie*, **PROVIDED THAT** the Company shall transfer to the Member that proportion of the assets of the Sub-Fund which is then equivalent in value to the shareholding of the Member then requesting the redemption of shares, but adjusted as the Directors may determine to reflect the liabilities of the Company **PROVIDED ALWAYS THAT** the nature of the assets and the type of assets to be transferred to each Member shall be determined by the Directors or the Manager on such basis as the Directors or the Manager in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Members, and such allocation shall be subject to the approval of the Depositary. For the foregoing purposes the value of assets shall be determined on the same basis as used in calculating the Net Asset Value. If a Member so requests, the Company or the Manager shall arrange to dispose of the Investments on behalf of the Member. The price obtained by the Company may be different from the price at which the Investments were valued when determining the Net Asset Value and the Investment Manager, the Company or the Manager shall not be liable for any difference arising. The transaction costs incurred in the sale of any assets pursuant to this Article 12(i) shall be payable by the relevant Member.

- (j) At the discretion of the Directors or the Manager, the Company may satisfy any application for redemption of shares by a Member which represents 5 per cent. or more of the Net Asset Value of a Sub-Fund by the transfer to the Member of assets of the Company *in specie* **PROVIDED ALWAYS THAT** the nature of the assets and the type of assets to be transferred to each Member shall be determined by the Directors or the Manager on such basis as the Directors or the Manager in their sole discretion shall deem equitable and not prejudicial to the interests of the remaining Members and which shall be approved by the Depositary and for the foregoing purposes the value of the assets shall be determined on the same basis as used in calculating the Net Asset Value. If a Member so requests the Company shall arrange to dispose of the Investments on behalf of the Member. The price obtained by the Company may be different from the price at which the Investments were valued when determining the Net Asset Value and the Investment Manager and the Company shall not be liable for any difference arising. The transaction costs incurred in the sale of any assets pursuant to this Article 12(j) shall be payable by the relevant Member.
- (k) In the event that the Company is required to deduct, withhold or account for tax on shares held by a Member (whether upon a redemption of shares, a transfer of shares or otherwise) or upon the payment of a distribution to a Member (whether in cash or otherwise), the Directors or the Manager shall be entitled to arrange for the redemption and cancellation of such number of the shares of such Member as are sufficient after the deduction of any redemption charges to discharge any such tax liability and the Directors or the Manager may decline to register a transferee as a Member until such time as they receive from the transferee such declarations as to residency or status as they may require. The Depositary shall ensure that the redemption proceeds are held for the purposes of discharging any applicable tax liability as aforesaid.
- (l) Where the Company receives a request for the redemption of shares from any Member in respect of which the Company is required to account for, deduct or withhold tax, the Company shall be entitled to deduct from the proceeds of redemption such amount of tax as the Company is required to account for, deduct or withhold.

- (m) The Company may compulsorily redeem shares as may be necessary to implement the equalisation of performance fees payable by Members, details of which may be set out in the Prospectus.

13. TOTAL REDEMPTION

- (a) With the sanction of an Ordinary Resolution of the Members of the Company or of a Sub-Fund or of a Class, the Company may, by not less than four nor more than six weeks' notice (expiring on a Dealing Day) to all Members of the Company or the Sub-Fund or of a Class, as appropriate, redeem all of the shares of the Company or of the relevant Sub-Fund or Class at the applicable Net Asset Value for such shares on such Dealing Day.
- (b) All of the shares of the Company or a Sub-Fund or Class may be redeemed by the Company if so determined by the Directors provided that notice of not less than twenty-one days has been given to the holders of shares in the Company or the relevant Sub-Fund or Class.
- (c) If all of the shares in the Company are to be redeemed as aforesaid the Company, with the approval of the Members by Ordinary Resolution, or with the consent of any Member, may divide amongst the Members or any individual Member who so consents *in specie* all or part of the assets of the Company according to the value of the shares then held by each Member as determined in accordance with Article 14 hereof.
- (d) If the Members do not authorise the Directors to issue further shares in the Company at any general meeting at which a resolution to approve such authorisation is proposed then the Company may, by giving not less than four nor more than six weeks' notice (expiring on a Dealing Day), within four weeks of the expiry of such period redeem all (but not some) of the shares.
- (e) If all of the shares are to be redeemed as aforesaid and the whole or any part of the business or property of the Company, a Sub-Fund or Class or any of the assets of the Company is proposed to be transferred or sold to another company (hereinafter called "**the Transferee**") the Company may, with the sanction of a Special Resolution conferring either a general authority on the Directors or an authority in respect of any particular arrangement, receive in compensation or part compensation for the transfer or sale, shares, units, policies or other like interests or property in or of the Transferee for distribution among the Members, or may enter into any other arrangement whereby any Member may *in lieu* of receiving cash or property, or in addition thereto, participate in the profits of, or receive, any other benefit from the Transferee.
- (f) Where a redemption of shares pursuant to Articles 13 (a), (b) or (c) would result in the number of Members falling below two or such other minimum number of members as the Act may stipulate as the legal minimum number of members in a public limited company or would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged to maintain pursuant to applicable law, the Company may defer the redemption of such shares, the redemption of which would result in such number or amount not being satisfied, until the Company is wound up or until the Company procures the issue of sufficient shares to ensure that the aforesaid number and amount are satisfied. The Company shall be entitled to select the shares for such deferred redemption in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

14. DETERMINATION OF NET ASSET VALUE

- (a) The Company shall determine the Net Asset Value of the Company, each Class and each Sub-Fund on each Dealing Day. The Net Asset Value shall be expressed in the Base Currency as a per share figure for the issue of shares and for the redemption of shares respectively as appropriate and shall be determined in accordance with Article 15 hereof. The Net Asset Value of the Company is calculated by deducting the total liabilities of the Company from the total assets of the Company. Total assets include the value of all investments held, the sum of any cash and accrued interest. Total liabilities comprise all liabilities including any borrowings, accrued expenses and any contingencies for which reserves are determined to be required.
- (b) The Net Asset Value per share of a Sub-Fund shall be the value of the gross assets attributable to such Sub-Fund less all liabilities attributable to such Sub-Fund (including such provisions as the Administrator considers appropriate in respect of the costs and expenses payable in relation to such Sub-Fund) divided by the number of shares of such Sub-Fund outstanding as of the Dealing Day. Any liabilities of the Company that are not attributable to any Sub-Fund shall be allocated amongst the Sub-Funds *pro rata* based on their respective Net Asset Values or on any other basis approved by the Depositary having taken into account the nature of the liabilities.
- (c) Where a Sub-Fund is made up of more than one class of shares, the Net Asset Value of each Class shall be determined by calculating the amount of the Net Asset Value of the relevant Sub-Fund attributable to each Class. The amount of the Net Asset Value of a Sub-Fund attributable to a Class shall be determined by establishing the proportion of the assets of the Class as at the most recent Net Asset Value calculation or the close of the Initial Offer Period in the case of the initial offer of a Class, adjusted to take account of any subscription orders (after deduction of any redemption orders) and by allocating relevant Class Expenses (as defined below) and fees to the Class and making appropriate adjustments to take account of distributions paid out of the Sub-Fund, if applicable, and apportioning the Net Asset Value of the Sub-Fund accordingly. The Net Asset Value per share of a Class shall be calculated by dividing the Net Asset Value of the Class by the number of shares in issue in that Class adjusted to the number of decimal places specified in the Prospectus. Expenses or fees or charges not attributable to a particular Class may be allocated amongst the Classes based on their respective Net Asset Value or any other reasonable basis approved by the Depositary and having taken into account the nature of the fees and charges. Class Expenses and fees relating specifically to a Class will be charged to that Class. In the event that Classes of shares within a Sub-Fund are priced in a currency other than the Base Currency for that Sub-Fund, currency conversion costs will be borne by that Class. In the event that a hedged class of shares within a Sub-Fund is issued which is priced in a currency other than the Base Currency of that Sub-Fund, the costs and gains/losses of any hedging transaction will accrue solely to the hedged currency Class to which they relate. Hedged Classes of shares shall not be leveraged as a result of these transactions except to the extent agreed upon by the Central Bank.

“**Class Expenses**” means the expenses of registering a Class in any jurisdiction or with any stock exchange, regulated market or settlement system and all other expenses arising from such registration and such further expenses howsoever arising as may be disclosed in the Prospectus. The costs of converting currency and the costs and gains/losses of the Class specific hedging transactions (if any) are borne solely by the relevant Class.

- (d) The Company at any time may, but shall not be obliged to, temporarily suspend the determination of the Net Asset Value and the sale, conversion or redemption of shares in the Company or any Sub-Fund, in the following instances:
- (i) during any period (other than ordinary holiday or customary weekend closings) when any market is closed which is the main market for a significant part of the Sub-Fund's Investments, or when trading thereon is restricted or suspended;
 - (ii) any period when, as a result of political, economic, military or monetary events or any circumstances outside the control, responsibility and power of the Directors, disposal or valuation of a substantial portion of the investments of the Company is not reasonably practicable without this being seriously detrimental to the interests of Members of the Company;
 - (iii) any period during which disposal or valuation of Investments which constitute a substantial portion of the assets of the Sub-Fund is not practically feasible or if feasible would be possible only on terms materially disadvantageous to Members;
 - (iv) any period when for any reason the prices of any Investments of the Sub-Fund cannot be reasonably, promptly, or accurately ascertained by the Administrator;
 - (v) any period when remittance of monies which will, or may, be involved in the realisation of, or in the payment for, Investments of a Sub-Fund cannot, in the opinion of the Directors, be carried out at normal rates of exchange;
 - (vi) any period when proceeds of the sale or redemption of the shares cannot be transmitted to or from a Sub-Fund's account;
 - (vii) upon the service on the Members of a notice to consider a resolution to wind up the Company or close a Sub-Fund;
 - (viii) upon the occurrence of an event causing the Company or any Sub-Fund to enter into liquidation; or
 - (ix) any period when the Directors consider it to be in the best interests of the Company or a Sub-Fund to do so.
- (e) The Company may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute valuation day in which case the Net Asset Value calculations shall be made on that Business Day which shall be a Dealing Day and all issues and redemptions of shares shall be effected on that Dealing Day. Alternatively, the Company may elect not to treat such Business Day as a Dealing Day in which case it shall notify all applicants for shares and Members requesting redemption of shares who shall then be entitled to withdraw their applications and redemption requests by the date stated in the notification.
- (f) A suspension of redemptions may be made at any time prior to the payment of the redemption monies and the removal of the details of the relevant shares and/or a Member's name from the Register. A suspension of subscriptions may be made at

any time prior to the entry of the details of the relevant shares and/or a Member's name on the Register.

- (g) Any such suspension shall be published by the Company in such manner as it may deem appropriate to the persons likely to be affected thereby if, in the opinion of the Company, such suspension is likely to continue for a period exceeding seven days and any such suspension shall be notified immediately to the Central Bank and, in the event that any class of shares is so listed, the Irish Stock Exchange and in any event within the working day on the day of the suspension. Where practicable, all reasonable steps will be taken to bring any period of suspension to an end as soon as possible.

15. VALUATION OF ASSETS

- (a) The value of any Investment which is normally listed, traded or dealt in on a Regulated Market for which market quotations are readily available shall be valued at the latest mid-market price on the relevant Regulated Market at the valuation point as set out in the Prospectus on the relevant Dealing Day, provided that the value of the Investment listed, traded or dealt in on a Regulated Market but acquired or traded at a premium or at a discount outside or off the relevant stock exchange may be valued, taking into account the level of premium or discount as at the date of valuation of the Investment and the Depositary must ensure that the adoption of such procedure is justifiable in the context of establishing the probable realisation value of the security. If the Investment is normally listed, traded or dealt in on or under the rules of more than one Regulated Market, the relevant Regulated Market shall be that which constitutes the main market for the Investment. If prices for an investment listed, traded or dealt in on the relevant Regulated Market are not available at the relevant time or are unrepresentative, such Investment shall be valued at such value as shall be certified with care and good faith as the probable realisation value of the Investment by a competent professional person (which may be the Investment Manager) appointed by the Directors or the Manager and approved for such purpose by the Depositary. Neither the Investment Manager nor the Administrator shall be under any liability if a price reasonably believed by them to be the latest mid-market price available for the time being, may be found not to be such.

Units or shares in collective investment schemes which are not valued in accordance with the provisions above shall be valued on the basis of the latest available net asset value per unit/share as published by the collective investment scheme.

Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the Directors or the Manager any adjustment should be made to reflect the fair value thereof.

Exchange-traded derivative instruments shall be valued at the relevant settlement price on the applicable exchange, provided that if the settlement price of an exchange-traded derivative instrument is not available, the value of such instrument shall be the probable realisation value which must be estimated with care and in good faith by a competent person appointed by the Directors or the Manager and approved for the purpose by the Depositary, which may be the Investment Manager. The counterparty to derivative instruments not traded on an exchange must be prepared to value the contract, at least monthly, and to close out the transaction at the request of the Company or the Manager at fair value. The Company or the Manager may choose to value the over-the-counter derivatives using either the counterparty valuation or an alternative valuation, such as a valuation calculated by the Company or the Manager

or by an independent pricing vendor. The Company or the Manager must value over-the-counter derivatives on a daily basis. Where the Company or the Manager values over the counter derivatives using an alternative valuation the Company or the Manager must follow international best practice and adhere to the principles on the valuation of over the counter instruments established by bodies such as IOSCO and AIMA. The alternative valuation is that provided by a competent person appointed by the Directors or the Manager and approved for the purpose by the Depositary, or a valuation by any other means provided that the value is approved by the Depositary. The alternative valuation will be reconciled to the counterparty valuation on a monthly basis. Where significant differences arise these will be promptly investigated and explained. Where the Company or the Manager values over the counter derivatives using the counterparty valuation the valuation must be approved or verified by a party who is approved for the purpose by the Depositary and who is independent of the counterparty. The independent verification must be carried out at least weekly. Forward foreign exchange contracts and interest rate swaps shall be valued by reference to freely available market quotations as at close of business on the Dealing Day.

Provided that a Sub-Fund is not classified as a money market fund under the notices issued by the Central Bank it may apply an amortised cost method of valuation in accordance with the requirements of the Central Bank to securities with a residual maturity not exceeding three months which have no specific sensitivity to market parameters, including credit risk. In the event that a Sub-Fund is classified as a money market fund under the notices issued by the Central Bank it shall value money market instruments in accordance with the requirements of the Central Bank.

In calculating the Net Asset Value of the assets:

- (i) every share allotted by the Company shall be deemed to be in issue and the assets shall be deemed to include not only the relevant cash and property in the hands of the Depositary but also the amount of any cash or other property to be received in respect of shares allotted;
- (ii) where Investments have been agreed to be purchased or sold but such purchase or sale has not been completed such Investments shall be included or excluded and the gross purchase or net sale consideration excluded or included as the case may require as if such purchase or sale had been duly completed;
- (iii) where notice of a redemption of shares has been given to the Depositary but such cancellation has not been completed the shares to be cancelled shall be deemed not to be in issue and the value of the assets shall be reduced by the amount payable to the Members upon such cancellation;
- (iv) where any amount in one currency is required to be converted into another currency the Directors or the Manager may effect such conversion using such rates as the Directors or the Manager shall determine at the relevant time except where otherwise specifically provided herein;
- (v) there shall be deducted from the assets the total amount of any actual or estimated liabilities properly payable out of capital including outstanding borrowings (if any) but excluding liabilities taken into account under subparagraph (ii) above and any estimated liability for tax on unrealised capital gains;

- (vi) there shall be deducted from the assets such sum in respect of tax (if any) on net capital gains realised during the current Accounting Period prior to the valuation being made as in the estimate of the Company will become payable;
 - (vii) there shall be deducted from the value of any Investment in respect of which a call option has been written the value of such option calculated by reference to the lowest available market dealing offered price quoted on a Regulated Market or if no such price is available a price determined by a competent person approved for the purpose by the Depositary or such price as the Directors or the Manager consider in the circumstances to be reasonable and which is approved by the Depositary;
 - (viii) there shall be added to the assets a sum representing any interest or dividends accrued but not received and a sum representing unamortised expenses;
 - (ix) there shall be added to the assets the amount (if any) available for distribution in respect of the last preceding Accounting Period but in respect of which no distribution has been declared and any unauthorised expenses;
 - (x) there shall be deducted from the assets the total amount (whether actual or estimated by the Directors of the Manager) of any other liabilities properly payable including accrued interest on borrowings (if any); and
 - (xi) the value of the assets shall be rounded upwards or downwards as appropriate to the nearest four decimal places or such other number of decimal places as the Directors or the Manager may decide.
- (b) The Directors or the Manager, with the approval of the Depositary, may adjust the Net Asset Value per share where such an adjustment is considered necessary to reflect the fair value of an asset in the context of currency, marketability, dealing costs and/or such other considerations which are deemed relevant.
- (c) In the event of it being impossible or incorrect to carry out a valuation of a specific investment in accordance with the valuation rules set out above or if such valuation is not representative of an asset's fair market value, a competent person appointed by the Directors or the Manager and approved for the purpose by the Depositary in consultation with the Investment Manager is entitled to use such other generally recognised valuation method in order to reach a proper valuation of that specific instrument, provided that such method of valuation has been approved by the Depositary.
- (d) The Directors or the Manager shall be entitled to adopt an alternative method of valuing any particular asset if they consider that the methods of valuation set out above do not provide a fair valuation of a particular asset and provided that the alternative method of valuation is approved by the Depositary.
- (e) Without prejudice to their general powers to delegate their functions herein contained, the Directors may delegate any of their functions in relation to the calculation of Net Asset Value and the valuation of assets to the Manager, to the Administrator, to a committee of the Directors or the Manager or to any other duly authorised person. In the absence of wilful misconduct or manifest error or bad faith, every decision taken by the Directors or the Manager, or any committee of the Directors or by the Administrator or any duly authorised person on behalf of the

Company in calculating the Net Asset Value and the valuation of assets shall be final and binding on the Company and on present, past or future Members.

16. **TRANSFER AND TRANSMISSION OF SHARES**

- (a) All transfers of shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- (b) The instrument of transfer of a share shall be signed by or on behalf of the transferor and need not be signed by the transferee. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof.
- (c) Unless the Directors or the Manager otherwise agree, a transfer of shares may not be registered if in consequence of such transfer the transferor or the transferee would hold a number of shares less than the Minimum Holding or would be in contravention of the terms of the Prospectus or would otherwise be contrary to the provisions of Article 11 hereof.
- (d) The Directors or the Manager may decline to register any transfer of shares unless the instrument of transfer relates only to one class of shares and is deposited at the registered office of the Company or at such other place as the Directors or the Manager may reasonably require, with such other evidence as the Directors or the Manager may reasonably require to show the right of the transferor to make the transfer.
- (e) If the Directors or the Manager decline to register a transfer of any share they shall, within one month after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.
- (f) The registration of any transfers may be suspended at such times and for such periods as the Directors or the Manager from time to time may determine, **PROVIDED ALWAYS** that such registration of transfers shall not be suspended for more than thirty days in any calendar year.
- (g) All instruments of transfer which shall be registered shall be retained by the Company subject to Article 36, but any instrument of transfer which the Directors or the Manager may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- (h) In the case of the death of a Member, the survivors or survivor where the deceased was a joint holder, and the executors or administrators of the deceased where he was a sole or surviving holder, shall be the only person recognised by the Company or the Manager as having title to his interest in the shares, but nothing in this Article shall release the estate of the deceased holder whether sole or joint from any liability in respect of any share solely or jointly held by him.
- (i) Any guardian of an infant Member and any guardian or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors or the Manager may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member could have made, but the Directors or the Manager shall, in either case, have the same right to refuse or suspend

registration as they would have had in the case of a transfer of the share by the infant or by the deceased, insolvent or bankrupt Member before the death, insolvency or bankruptcy of the Member under legal disability before such disability.

- (j) A person so becoming entitled to a share in consequence of the death, insolvency or bankruptcy of a Member shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the share **PROVIDED ALWAYS** that the Directors or the Manager may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors or the Manager may thereafter withhold all moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

- (d) With the exception of permitted investments in unlisted securities or in units of open-ended collective investment schemes, the Company will only invest in securities and derivative instruments listed or traded on a stock exchange or market (including derivative markets) which meets with the regulatory criteria (regulated, operate regularly, be recognised and open to the public) and which are listed in the Prospectus.

- (e) If the investment limits permitted by the Regulations are exceeded for reasons beyond the control of the Company or as result of the exercise of subscription rights, the Company shall adopt as a priority objective for its sales transactions the remedying of that situation, taking due account of the interests of the Members.
- (f) The Company may not:
 - (i) borrow money (which, for the avoidance of doubt, does not occur where the Company or a Sub-Fund enters into reverse repurchase agreements) except that the Company may (a) acquire foreign currency by means of a “back to back” loan, or (b) borrow up to 10 per cent. of the value of its net assets provided that such borrowing is on a temporary basis;
 - (ii) charge or otherwise mortgage any of the Company’s assets or transfer or assign them for the purpose of guaranteeing any debt except in the case of back to back loans;
 - (iii) use the Company’s assets as collateral for the issue of securities except in the case of back to back loans;
 - (iv) grant loans to, or act as guarantor on behalf of, third parties;

18. **GENERAL MEETINGS**

- (a) All general meetings of the Company shall be held in Ireland.
- (b) The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the Company and that of the next **PROVIDED THAT** so long as the Company holds its first annual general meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation. Subsequent annual general meetings shall be held once in each year as determined by the Directors from time to time at such time and place in Ireland as may be determined by the Directors.
- (c) All general meetings (other than annual general meetings) shall be called extraordinary general meetings.
- (d) The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Act.
- (e) The Directors shall call an extraordinary general meeting whenever by notice in writing the Depositary requests such a meeting to be convened to consider any resolution relating to the termination of the appointment of the Depositary or any alteration or amendment to the Depositary Agreement or any resolution which the Depositary considers necessary in the interests of the Members.

19. **NOTICE OF GENERAL MEETINGS**

- (a) At least twenty-one Clear Days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the shares held by them entitled to receive notices from the Company.
- (b) The Directors, the Manager, the Investment Manager or any adviser, the Auditors and the Depositary shall each be entitled to receive notice of, and attend and speak at, any general meeting of the Company.
- (c) In each notice calling a meeting of the Company, there shall appear with reasonable prominence a statement that a Member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a Member.
- (d) The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

20. **PROCEEDINGS AT GENERAL MEETINGS**

- (a) All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the statutory financial statements and report of the Directors and the report of the Auditors on the financial statements and the

report of Directors, the review by the Members of the Company's affairs, the election of Directors in the place of those retiring, the appointment or the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

- (b) No business shall be transacted at any general meeting unless a quorum is present. Two Members present either in person or by proxy shall be a quorum for a general meeting provided that, in the event that there is only one Member in a Sub-Fund or class, the quorum shall be one Member present in person or by proxy at the meeting. The quorum at any adjourned meeting shall be one Member present in person or by proxy and entitled to vote. A representative of a corporation authorised pursuant to Article 21(m) to be present at any meeting of the Company shall be deemed to be a Member for the purpose of a quorum.
- (c) If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine.
- (d) The chairman or, if absent, the deputy chairman of the Company, or failing him, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company, but if at any meeting neither the chairman nor the deputy chairman nor any other Director is present within fifteen minutes after the time appointed for holding the meeting, or if none of them are willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors are present, or if all the Directors present decline to take the chair, the Members present shall choose some Member present to be chairman.
- (e) The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- (f) At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands unless before or upon the declaration of the result of the show of hands a poll is demanded by the chairman or by any Members present representing at least one tenth in number or value of the shares in issue having the right to vote at the meeting. Unless a poll is so demanded, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the Company shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- (g) If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the

result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

- (h) The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.
- (i) In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall not be entitled to a second or casting vote.
- (j) A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- (k) The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- (l) A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.
- (m) If at any time the share capital is divided into different classes of shares, the rights attached to any Class (unless otherwise provided by the terms of issue of the shares of that Class or unless otherwise provided herein) may, whether or not the Company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that Class, or with the sanction of a Special Resolution passed at a separate general meeting of the holders of the shares of that Class, to which the provisions of these Articles relating to general meetings shall *mutatis mutandis* apply, save that the quorum at any such general meeting shall be at least two Members present in person or by proxy together holding at least one third of the shares of the relevant Class.
- (n) Subject to Section 193 of the Act, a resolution in writing signed by all of the Members for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the Company.

21. VOTES OF MEMBERS

- (a) On a show of hands every Member who is present shall have one vote.
- (b) On a poll every Member present in person or by proxy shall be entitled to one vote in respect of each share held by him.
- (c) In the case of joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the shares.

- (d) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- (e) On a poll, votes may be given either personally or by proxy.
- (f) On a poll, a Member entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
- (g) The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing, or if the appointor is a corporation, either under its common seal or under the hand of an officer or attorney so authorised. The appointment of a proxy by electronic means shall be effective only in such form as the Directors may approve. An instrument of proxy shall be in any usual form or in such form as the Directors may approve **PROVIDED ALWAYS** that such form shall give the holder the choice of authorising his/her proxy to vote for or against each resolution.
- (h) Any person (whether a Member or not) may be appointed to act as a proxy. A Member may appoint more than one proxy to attend on the same occasion.
- (i) The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the Company or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the Company not later than the deadline for receipt of proxies set out in the notice of meeting and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid. Where the appointment of a proxy and any authority under which it is signed is to be received by the Company in electronic form, it may also be received where an address has been specified by the Company for the purpose of receiving Electronic Communications:-
 - (i) in the notice convening the meeting; or
 - (ii) in any appointment of proxy sent out by the Company in relation to the meeting; or
 - (iii) in any invitation contained in an Electronic Communication to appoint a proxy issued by the Company in relation to the meeting.
- (j) No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- (k) The Directors may at the expense of the Company send, by post or otherwise, to the Members instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Members, either in blank or nominating in the alternative any one or more of the Directors or any other persons as proxy. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some

only) of the Members entitled to be sent a notice of the meeting and to vote thereat by proxy.

- (l) A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the shares in respect of which the instrument of proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at the registered office of the Company, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- (m) Any body corporate which is a Member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual Member and such body corporate shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (n) The provisions of Articles 18, 19, 20 and 21 shall apply *mutatis mutandis* to meetings of each Sub-Fund, Class or series of Members.

22. **DIRECTORS**

- (a) Unless otherwise determined by the Company by Ordinary Resolution, the number of the Directors shall not be less than two nor more than twelve. The first Directors shall be appointed by the subscribers herein.
- (b) A Director need not be a Member.
- (c) The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors. Any Director so appointed shall hold office only until the next following annual general meeting and shall then be eligible for re-election.
- (d) The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the Company.
- (e) The Directors may in addition to such remuneration as is referred to in Article 22(d) hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the Company.
- (f) The Company at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director unless the Company shall determine to reduce the number of Directors.
- (g) The office of a Director shall be vacated by a Director in any of the following events, namely:

- (i) if he resigns his office by notice in writing signed by him and left at the registered office of the Company;
 - (ii) if he becomes bankrupt or makes any arrangement or composition with his creditors generally;
 - (iii) if he becomes of unsound mind;
 - (iv) if he ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;

- (i) At a general meeting a motion for the appointment of two or more persons as Directors by a single resolution shall not be made unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.
 - (j) Any Director may at any time by instrument in writing (whether in electronic form or otherwise in writing) under his hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his alternate Director and may in like manner at any time terminate such appointment.
 - (k) The appointment of an alternate Director shall determine if his appointer ceases to be a Director or on the happening of any such event which if he were a Director would cause him to vacate such office.
 - (l) An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him is not personally present and generally at such meeting to perform all functions of his appointor as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he (instead of his appointor) were a Director. If he himself shall be a director, or shall attend any such meeting as an alternate for more than one Director, his voting rights shall be cumulative, provided, however, that he shall count as one for the purposes of determining a quorum. If his appointor is for the time being temporarily unable to

act, his signature to any resolution in writing of the Directors and for the purposes of affixing the Company seal shall be as effective as the signature of his appointor. To such extent as the Directors may from time to time determine in relation to any committee of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his appointor is a member. An alternate Director shall not (save as aforesaid or as otherwise herein provided) have power to act as a Director nor shall he be deemed to be a Director.

- (m) An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his appointor as such appointor may by notice in writing to the Company from time to time direct.

- (d) The appointment of any Director to any other executive office shall not determine automatically if he ceases from any cause to be a Director unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the Company.
- (e) A Director may hold any other office or place of profit under the Company (except that of Auditor) in conjunction with his office of Director, and may act in a professional capacity to the Company, on such terms as to remuneration and otherwise as the Directors may arrange.

- (g) No Director or intending Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser or otherwise, nor shall any such contract or any contract or arrangement entered into by or on behalf of the other company in which any Director shall be in any way interested be avoided nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relationship thereby established. The nature of a Director's interest must be declared by him at the meeting of the Directors at which the question of entering into the contract or arrangement is first taken into consideration, or if the Director was not at the date of that meeting interested in the proposed contract or arrangement at the next meeting of the Directors held after he became so interested, and in a case where the Director becomes interested in a contract or arrangement after it is made, at the first meeting of the Directors held after he becomes so interested.

 - (i) a general notice given to the Directors that a Director is to be regarded as having an interest of the nature and extent specified in the notice in any transaction or arrangement in which a specified person or class of persons is interested shall be deemed to be a disclosure that the Director has an interest in any such transaction of the nature and extent so specified; and
 - (ii) an interest of which a Director has no knowledge and of which it is unreasonable to expect him to have knowledge shall not be treated as an interest of his.
- (j) Save as otherwise provided by these Articles, a Director shall not vote at a meeting of the Directors or a committee of Directors on any resolution concerning a matter in which he has, directly or indirectly, an interest which is material or a duty which conflicts or may conflict with the interests of the Company. Unless otherwise resolved by the Directors, a Director shall not be counted in the quorum present at a meeting in relation to any such resolution on which he is not entitled to vote.
- (k) A Director shall be entitled (in the absence of some other material interest than is indicated below) to vote (and be counted in the quorum) in respect of any resolution concerning any of the following matters, namely:

It shall be the duty of each Director to obtain the prior approval of the Board, before entering into any commitment permitted by Sections 228(1)(e)(ii) and 228(2) of the Act.
 - (n) If a question arises at a meeting of Directors or of a committee of Directors as to the materiality of a Director's interest or as to the right of any Director to vote and such question is not resolved by his voluntarily agreeing to abstain from voting, such question may be referred, before the conclusion of the meeting, to the chairman of the meeting and his ruling in relation to any Director other than himself shall be final and conclusive.
 - (o) For the purpose of this Article, an interest of a person who is the spouse or a minor child of a Director shall be treated as an interest of the Director and, in relation to an alternate Director, an interest of his appointor shall be treated as an interest of the alternate Director.

Anything required or authorised to be done by the Secretary may, if the office is vacant or there is for any other reason no Secretary capable of acting, be done by any assistant or deputy Secretary or if there is no assistant or deputy Secretary capable of acting, by any officer of the Company authorised generally or specially in that behalf by the Directors **PROVIDED THAT** any provisions hereof requiring or authorising anything to be done by a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

29. **DIVIDENDS**

- (a) The Directors may from time to time as they think fit pay such dividends on shares of the Company as appear to the Directors to be justified, subject to any policy statement in relation to dividends in the Prospectus for the relevant Sub-Fund.
- (b) The amount available for distribution in respect of any class of shares in any Accounting Period may be a sum equal to the aggregate of the net income received by the Company in respect of any class of shares (whether in the form of dividends, interest or otherwise and including realised and unrealised capital gains less realised and unrealised capital losses during the Accounting Period) calculated in accordance with the following:
 - (i) addition or deduction of a sum by way of adjustment to allow for the effect of sales or redemptions, cum or ex-dividend;
 - (ii) addition of a sum representing any interest or dividend or other income accrued but not received by the relevant Sub-Fund at the end of the Accounting Period and deduction of a sum representing (to the extent that an adjustment by way of addition has been made in respect of any previous Accounting Period) interest or dividends or other income accrued at the end of the previous Accounting Period;

 - (viii) deduction of any amounts declared as a distribution but not yet distributed.

- (f) The Company may transmit any dividend or other amount payable in respect of any share by cheque or warrant sent by ordinary post to the registered address of the Member, or, in the case of joint holders, to the person whose name and address appears first on the Register and shall not be responsible for any loss arising in respect of such transmission.
- (g) No dividend or other amount payable to any holder of shares shall bear interest against the Company. All unclaimed dividends and other amounts payable as aforesaid may be invested or otherwise made use of for the benefit of the Company until claimed. Payment by the Company of any unclaimed dividend or other amount payable in respect of a share into a separate interest bearing account shall not constitute the Company a trustee in respect thereof. - (h) At the option of any Members, the Directors may apply all dividends declared on the shares of any class held by such Member in the issue of additional shares of that class in the Company to that Member at the Net Asset Value obtaining when such dividends are declared and on such terms as the Directors from time to time may resolve, provided, however, that any Member shall be entitled to elect to receive a cash dividend in respect of the shares held by that Member.
- (i) The Directors may provide that Members will be entitled to elect to receive *in lieu* of any dividend (or part thereof) an issue of additional shares of the same Class as those in respect of which the dividend is declared in a Sub-Fund credited as fully paid. In any such case the following provisions shall apply:
 - (i) the number of additional shares (including any fractional entitlement) to be issued *in lieu* of any amount of dividend shall be equal in value to the amount of such dividend at the date the dividend was declared;
 - (ii) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect of which the share election has been duly exercised (the “**Elected Shares**”), and *in lieu* thereof additional shares shall be issued to the holders of the Elected Shares on the basis determined as aforesaid and for such purpose the Directors shall capitalise a sum equal to the aggregate value of the dividends in respect of which elections have been made and apply the same in paying up in full the appropriate amount of unissued shares;

- (iii) the additional shares so issued shall rank *pari passu* in all respects with the fully paid shares then in issue save only as regards participation in the relevant dividend (or share election *in lieu*);
- (iv) the Directors may do all acts and things considered necessary or expedient to give effect to any such capitalization, with full power to the Directors to make such provision as they think fit in the case of shares becoming distributable in fractions so that fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company;
- (v) The Directors may on any occasion determine that rights of election shall not be made available to any Member with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.
- (vi) Where the Company proposes to pay a distribution to a Member, it shall be entitled to deduct from the distribution such amount as may be necessary to discharge the Company's liability to tax in respect of such distribution and shall arrange to discharge the amount of tax due.

34. **WINDING UP**

- (a) All of the shares in the Company or all of the shares in a Sub-Fund or class may be redeemed by the Company in the following circumstances:
 - (i) a majority of votes cast at a general meeting of the Company or the relevant Sub-Fund or Class, as appropriate, approves the redemption of the shares;
 - (ii) if so determined by the Directors, provided that not less than twenty-one days’ written notice has been given to the holders of the shares of the Company or the Sub-Fund or the class, as appropriate, that all of the shares of the Company, the Fund or the class, as the case may be, shall be redeemed by the Company; or
 - (iii) if no replacement depositary shall have been appointed during the period of ninety days commencing on the date the Depositary or any replacement thereof shall have notified the Company of its desire to retire as depositary or shall have ceased to be approved by the Central Bank.
- (b) Where a redemption of shares would result in the number of shareholders falling below 2 or such other minimum number stipulated by statute or where a redemption of shares would result in the issued share capital of the Company falling below such minimum amount as the Company may be obliged to maintain pursuant to applicable law, the Company may defer the redemption of the minimum number of shares sufficient to ensure compliance with applicable law. The redemption of such shares will be deferred until the Company is wound up or until the Company procures the issue of sufficient shares to ensure that the redemption can be effected. The Company shall be entitled to select the shares for deferred redemption in such

manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

- (c) If the Company shall be wound up or dissolved the liquidator shall apply the assets of the Company in satisfaction of creditors' claims in such manner and order as he thinks fit.
- (d) The assets of the Company available for distribution (after satisfaction of creditors' claims) amongst the Members shall be distributed *pro rata* to the holders of the shares of each Class in the Company and shall be *pro rata* to the number of shares in that Class held by them.
- (e) The assets available for distribution among the Members shall then be applied in the following priority:
 - (i) firstly, in the payment to the Members of each Class of each Sub-Fund of a sum in the Base Currency in which that Class is denominated or in any other currency selected by the liquidator as nearly as possible equal (at a rate of exchange reasonably determined by the liquidator) to the Net Asset Value of the shares of such Class held by such holders respectively as at the date of commencement of the winding up provided that there are sufficient assets available in the relevant Sub-Fund to enable such payment to be made. In the event that, as regards any class of shares, there are insufficient assets available in the relevant Sub-Fund to enable such payment to be made, recourse shall be had to the assets of the Company not comprised within any of the Sub-Funds;
 - (ii) secondly, in the payment to the holders of the Subscriber Shares of sums up to the amount paid thereon (plus any interest accrued) out of the assets of the Company not comprised within any Sub-Funds remaining after any recourse thereto under paragraph (i) above. In the event that there are insufficient assets as aforesaid to enable such payment in full to be made, no recourse shall be had to the assets comprised within any of the Sub-Funds;
 - (iii) thirdly, in the payment to the Members of any balance then remaining in the relevant Sub-Fund, such payment being made in proportion to the number of shares held; and
 - (iv) fourthly, in the payment to the Members of any balance then remaining and not comprised within any of the Sub-Funds, such payment being made in proportion to the value of each Sub-Fund and within each Sub-Fund to the value of each Class and in proportion to the Net Asset Value per share.
- (f) If the Company shall be wound up or dissolved (whether the liquidation is voluntary, under supervision or by the Court) the liquidator may with the authority of an Ordinary Resolution of the Company or with the consent of any Member, divide among the Members *pro rata* to the value of their shareholdings in the Company (as determined in accordance with Article 14 herein) *in specie* the whole or any part of the assets of the Company or may make distributions *in specie* to any individual Member who so consents whether or not the assets shall consist of property of a single kind and may for such purposes value any class or classes of property in accordance with the valuation provisions in Article 15. If a Member so requests, the Company shall arrange to dispose of the Investments on behalf of the Member at the expense of such Member. The price obtained by the Company may be different from the price at which the investments were valued when determining the Net Asset

Value and the Company shall not be liable for any difference arising. The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the liquidator shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but not so that any Member shall be compelled to accept any asset in respect of which there is a liability. The Subscriber Shares do not entitle the holders to participate in the dividends or net assets of any Sub-Fund.

35. INDEMNITY

- (a) Subject to the provisions of, and so far as may be permitted by the Act, the Company shall indemnify its Directors, Officers, employees and any person who serves at the request of the Company as a director, officer, employee of another company, partnership, joint venture, trust or other enterprise as follows:

- (d) The Company, the Manager, the Administrator, the Investment Manager or any adviser and the Depository shall each incur no liability to the Members for complying with any present or future law or regulation made pursuant thereto, or any decree, order or judgment of any court, or any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise). If for any reason it becomes impossible or impracticable to carry out any of the provisions hereof neither the Company, nor the Manager, nor Administrator, nor the Investment Manager nor adviser nor the Depository shall be under any liability therefor or thereby. This Article shall not, however, exempt the Company, the Manager, the Administrator, the Investment Manager or the Depository from any liability any of them may incur as a result of a failure to adhere to their obligations as set out in the Regulations or any liability incurred as a result of any fraud on the part of the Company, the Manager, the Administrator, the Investment Manager or adviser or the Depository.
- (e) For the avoidance of doubt no Director shall be liable for the acts or omissions of any other Director.

36. **DESTRUCTION OF DOCUMENTS**
