| Moderna Inc | Annual | 28-Apr-22 | 4 | Shareholder Resolution - Social | Shareholder | Against | We opposed the resolution to commission a third party report analysing the feasibility of transferring intellectual property. Following significant engagement with management and the chair of the board we have comfort that Moderna's leadership has deeply explored the feasibility of safely licensing its technology and to whom, in consultation with stakeholders, such as the WHO. As such we do not believe that there is a requirement for a third party report into this issue. We believe the steps Moderna is taking to expand access to mRNA technologies in the future and ensure the world is better prepared for future pandemics, as outlined in its Proxy Statement, are commendable and we believe that opposing this resolution will better allow management to focus on these, as well as its extensive product pipeline. |

| Amazon.com | Annual | 25-May-22 | | 5 Shareholder Resolution - Climate | Shareholder | Against | We opposed a shareholder proposal on aligning retirement plan options with climate action goals. We consider that the current options offer sufficient choice on this topic. |
| Amazon.com | Annual | 25-May-22 | | 6 Shareholder Resolution - Social | Shareholder | Against | We opposed a shareholder proposal on customer due diligence. We are satisfied that the company has carried out an audit of Ring and responded to the concerns raised. |
| Amazon.com | Annual | 25-May-22 | | 7 Shareholder Resolution - Governance | Shareholder | Against | We opposed a shareholder proposal on an alternative director candidate policy. We do not believe that requiring hourly employees on the initial list of board nominee candidates is in shareholders' best interests, and are satisfied that the company has mechanisms in place for employees to be heard. |
| Amazon.com | Annual | 25-May-22 | | 8 Shareholder Resolution - Environmental | Shareholder | Against | We opposed a shareholder proposal on packaging materials. Amazon has taken significant actions and provided substantial disclosure on environmental and packaging initiatives, and we do not believe that the action requested under this proposal is necessary. |
| Amazon.com | Annual | 25-May-22 | | 9 Shareholder Resolution - Social | Shareholder | Against | We opposed a shareholder proposal on worker health and safety differences. Amazon has agreed to carry out a diversity and equity audit, and has assured us that the information requested under this proposal will be covered by that audit. |

| | | | | | | |
|------------|--------|-----------|--|-------------|---------|--|
| Amazon.com | Annual | 25-May-22 | 10 Shareholder Resolution - Social | Shareholder | Against | We opposed a shareholder proposal on concealment clauses. The company has already responded to this proposal and confirmed that it does not use mandatory arbitration at all. We therefore do not believe that this proposal is necessary. |
| Amazon.com | Annual | 25-May-22 | 11 Shareholder Resolution - Governance | Shareholder | Against | We opposed a shareholder proposal on charitable contributions. This is an anti-ESG proposal. We consider that the company's existing information and disclosure is adequate. |
| Amazon.com | Annual | 25-May-22 | 12 Shareholder Resolution - Governance | Shareholder | Against | We opposed a shareholder proposal on alternative tax reporting. The company currently reports tax as it is required to and will be required to report more extensively under incoming EU regulations. We do not consider this proposal is necessary at this time. |
| Amazon.com | Annual | 25-May-22 | 13 Shareholder Resolution - Social | Shareholder | For | We supported a shareholder proposal on freedom of association. In light of several recent high profile controversies, we believe that shareholders would benefit from a more thorough examination of the compliance of the company's policies and practices with international fundamental rights. |
| Amazon.com | Annual | 25-May-22 | 14 Shareholder Resolution - Governance | Shareholder | For | We supported a shareholder proposal on lobbying. We have supported this proposal at Amazon.com for the last two years. We believe that the company's disclosure is lagging that of its peers, and greater transparency of all political expenditures and lobbying would enable shareholder to assess alignment with Amazon's values and corporate goals. |
| Amazon.com | Annual | 25-May-22 | 15 Shareholder Resolution - Governance | Shareholder | Against | We opposed a shareholder proposal on requiring more director candidates than board seats: We do not believe that this would be in the interests of the strength or stability of the board. |

| | | | | | | | |
|------------|--------|-----------|-----|---------------------------------|-------------|---------|--|
| Amazon.com | Annual | 25-May-22 | 16 | Shareholder Resolution - Social | Shareholder | Against | We opposed a shareholder proposal on warehouse working conditions. We recognise the steps the company has taken recently on health and safety at work. In addition, Amazon states that the diversity and equity audit agreed to should cover any disparate racial impacts of policies, programs and practices related to injury rates. |
| Amazon.com | Annual | 25-May-22 | 17 | Shareholder Resolution - Social | Shareholder | For | We supported a shareholder proposal on gender/racial pay. We have supported this proposal at Amazon.com for the last two years. We believe that women and minorities are underrepresented in leadership positions compared with the broader workforce, and reporting the unadjusted median gap would help to assess structural bias regarding job opportunity and pay. |
| Amazon.com | Annual | 25-May-22 | 18 | Shareholder Resolution - Social | Shareholder | Abstain | We abstained on a shareholder proposal requesting a diversity and equity audit as the proposal was withdrawn. |
| Amazon.com | Annual | 25-May-22 | 19 | Shareholder Resolution - Social | Shareholder | Against | We opposed a shareholder proposal on customer use of certain technologies. We think the company has demonstrated adequate responsiveness to the concerns and requests outlined by the proponent, including implementing a moratorium on police use of Rekognition for criminal investigations. |

We opposed a shareholder resolution requesting the company to change its articles of association to provide shareholders the right to call a special meeting when they own more than fifteen per cent of share capital. We supported management's alternate proposal for setting the threshold at twenty-five per cent, as we agree that this threshold strikes an appropriate balance between facilitating shareholder rights and protecting the company's and shareholders' long term interests.
