

FRAUDULENT ACTIVITY

All existing and prospective clients are urged to exercise caution when discussing financial products or transactions.

Caution

Industry reports indicate an increase in fraudsters claiming to represent specific businesses.

What to watch out for

The aim is typically to obtain information and/or prompt fraudulent transactions which are often known as 'boiler room scams'. These scams often promote fake investment opportunities using apparently official valid websites, literature or job titles/email addresses.

Report

All suspected cases should be reported to the Financial Conduct Authority (FCA).

The FCA website provides excellent guidance on how to identify a scam, check credentials and report suspicious activity <https://www.fca.org.uk/scamsmart/share-bond-boiler-room-scams>
