Amazon.com	Annual	26-May-21	3	Remuneration - Say on Pay	Management	For	

Amazon.com	Annual	26-May-21	4	Shareholder Resolution - Social	Shareholder	Abstain	We abstained on a shareholder resolution requesting a report on customer due diligence. The company has responded to concerns in this area and we are continuing to engagement with them on it.
Amazon.com	Annual	26-May-21	5	Shareholder Resolution - Governance	Shareholder	Against	We opposed a shareholder resolution requiring an independent chair. We believe the current Chair, Jeff Bezos, is a responsible, long-term steward of the business. We also believe the SID Jonathan Rubenstein provides appropriate balance to the current joint CEO/Chair set-up.
Amazon.com	Annual	26-May-21	6	Shareholder Resolution - Social	Shareholder	For	We supported a shareholder proposal for Amazon to report on the median gender and racial pay gap across the business. We believe this proposal requests data which will be useful in understanding Amazon's efforts to promote equality and inclusion in the business.
Amazon.com	Annual	26-May-21	7	Shareholder Resolution - Social	Shareholder	Against	We opposed a shareholder resolution requesting a report on promotion data as we do not believe it is necessary.
Amazon.com	Annual	26-May-21	8	Shareholder Resolution - Environmental	Shareholder	Against	We opposed a shareholder resolution requesting a report on packaging materials as we think the company is performing well in this area and don't think additional disclosure is required.
Amazon.com	Annual	26-May-21	9	Shareholder Resolution - Social	Shareholder	Against	We opposed a shareholder resolution requesting a diversity and equity report as we believe the company has made good progress in this area over the past year and we will continue to engage with them on this topic.
Amazon.com	Annual	26-May-21	10	Shareholder Resolution - Governance	Shareholder	Against	We opposed a shareholder resolution requesting an alternative director candidate policy as we think it is overly prescriptive and believe the nominating and governance committee is best placed to manage this process.

Amazon.com	Annual	26-May-21	11	Shareholder Resolution - Governance	Shareholder	Abstain	We abstained on a shareholder resolution requesting a report on anti-competitive practices as we are unclear as to what additional information the company can provide and intend to engage with them on this topic.
Amazon.com	Annual	26-May-21	12	Shareholder Resolution - Governance	Shareholder	Against	We opposed a shareholder resolution requesting a reduction in the threshold for call special meetings as we think the current provision is appropriate.
Amazon.com	Annual	26-May-21	13	Shareholder Resolution - Climate	Shareholder	For	We supported a shareholder proposal to improve the transparency of Amazon's corporate lobbying policies and governance. We believe greater transparency of all political expenditures and lobbying, particularly indirect spending through trade associations, coalitions and charities, would enable shareholders to assess alignment with Amazon's values and corporate goals.
Amazon.com	Annual	26-May-21	14	Shareholder Resolution - Social	Shareholder	Abstain	We abstained on a shareholder resolution requesting a report on customer use of certain technologies. The company has made progress in this area over the past year, and we intend to continue our dialogue with them.
